If any Product covered by this warranty is returned by Purchaser in accordance with Manufacturer’s return policy within the warranty period, and upon examination Manufacturer determines to its satisfaction that such product failed to satisfy this warranty, Manufacturer will elect, in its sole discretion, to repair or replace the Product, or refund the purchase price of the Product. “Repair or replace the Product” does not include any costs or expenses associated with removal and installation, including without limitation labor costs. This limited warranty excludes field labor and service charges related to the repair or replacement of the Product. If Manufacturer elects to replace the Product and is not able to do so because the Product has been discontinued or is not available, Manufacturer may replace it with a comparable product, at the manufacturer’s discretion. This limited warranty only applies to Product that has been properly connected, installed, and operated within the specification parameters outlined in the Manufacturer’s specification sheets including but not limited to temperature, environmental conditions, and electrical values. This limited warranty does not apply to loss or mishandling; improper installation, storage, or maintenance; vandalism; civil disturbances; alterations; accident; or use in violation of any applicable standard, instructions for use. THIS LIMITED WARRANTY IS VOID IF THE PRODUCT IS NOT USED FOR THE INTENDED PURPOSE FOR WHICH IT WAS DESIGNED.
